UNPLUG. UNWIND. UNWORK.
Get to the good stuff.

Whether it's a big client presentation at work, a backyard that needs mowing, or time consuming errands and chores, there's always something that needs your attention. Sometimes our non-stop, full-tilt, constantly connected life needs a time out. After all, what's all that hard work for, anyway, if you never stop to enjoy the fruits of your labor? Here at Godfrey Pontoons, we specialize in helping you unplug, unwind and, well, unwork.

You see it's not about getting away from it all. It's about getting out there and getting to the good stuff. It's about getting your teenage daughter's undivided attention, hearing your wife laugh out loud, and competing to catch the biggest fish or clinging to the tube the longest. It's about fresh air and sunshine, exercise, and teaching your children well. It's about focusing on what really matters.

You're at the helm...go ahead, get to the good stuff.

DESIGNED WITH YOUR SATISFACTION IN MIND

From the all-welded V-Keel up, Godfrey Pontoon Boats are engineered to last with the highest-quality components and construction methods. Why do we spend so much time and effort overbuilding in areas you probably won't ever see? Because sometimes it's what you don't see that can make all the difference. It's a difference that was recognized with a Customer Satisfaction Award (CSI) for model year 2015 and over 25 industry CSI Awards in our storied history.

Marine Deck PTP
Provides sound dampening and won't rot, warp or dent.

Saddle Brackets
Heavy-duty with extra-wide feet for superior support.

C-Channel
Three-inch-tall support beam for consistent strength.

F-Style Rub Rail Support
Solid. Prevents sagging edges by reinforcing the entire deck.

Decking Fasteners
Large, stainless steel elevator bolts with non-slip nylon lock nuts.

Chambered Tubes
Separate, pressure-tested chambers created by interior bulkheads.

Anodized Rails
1 1/4" anodized rail frame to prevent corrosion and minimize maintenance.

Deutsch Connectors
Water-resistant and plug-and-play. Easy to add or replace accessories.

Heavy-Duty V-Keel
Ensures even tracking in the water while protecting the bottom of pontoons.

Splash Fins
Tough extruded aluminum fins let you ride high and dry.

ENGINEERED FOR SPEED AND PERFORMANCE

The driving force behind our more than 50 years of success has been to pull together the best designers, engineers and craftsmen to create products that will excite you, thrill you and give your family the best ride possible.

The demand for high-performance pontoon boats has never been higher. More flotation. Better handling. Faster to plane. More storage. These are just a few of the benefits that a Godfrey Pontoon Boat triple tube package offers. The chambered triple tube system, easy-planing tube extension, sport motor pan, full aluminum belly skin, a massive and dry in-floor ski locker, and aggressive lifting strakes of Godfrey Pontoon Boat's Triple Tube Packages all contribute to the excitement by giving you more consistent control and superior handling at higher speeds.

Dark Duotone Interior with Black Vinyl Accent. Boca Carpet and Beige Vinyl Decking.

We've heard from lots of Sweetwater owners over the years, and many of our best innovations have come directly from them. That's the case with the distinct "Bow Fish" deck design that's part of some of the great fishing layout options. The oversized, easy-care forward deck features multiple pedestal seats and plenty of room to land your catch.

1. Well-appointed helm station with Sony stereo, Faria gauges, cupholders and captain's chair with swivel, slide and reclining capabilities.
2. Helm station with Sony stereo, Lowrance depth/fish finder, Faria gauges and backlit rocker switches with easy-access fuses.
3. Cockpit seating with removable dark woodgrain stern table, and LED underseat courtesy lighting.

Sometimes, where you've been is just as important as where you are going...and with these smartly designed rear-facing seating floorplans, you get the luxury of having access to both. A wide open bow to stern walk-way makes for easy traveling back and forth, and with the option to choose two individual, or one double lounge, you can choose whether to stretch out by yourself or with that special someone.

1. Well-appointed helm station with Sony stereo, Faria gauges, cupholders and captain's chair with swivel, slide and reclining capabilities.
2. Aesthetically pleasing helm featuring dark woodgrain panels with chrome accents gives a high-dollar feel without the high-dollar expense.
3. Comfortable, large chaise lounges in the bow and stern make for relaxing days on the water no matter if you are coming or going.
